

**“I chose the Karndean flooring because the old tile was breaking up. Karndean flooring is flexible, yet very durable, and was efficiently installed right over the old floor. We have received numerous positive comments about our new floor and we are very satisfied.”**

**If you don't know  
Karndean already,  
you soon will...**

Karndean is one of the fastest growing companies in the flooring industry. In fact, retailers from around the country voted us #1 at the 2007 World Floor Covering Association.

## Why...?

- Karndean is extremely durable and designed to withstand the heaviest of customer traffic
- It can be installed directly over numerous existing flooring products saving valuable installation time and expense
- Karndean floors look great longer with minimum time and cost
- Karndean offers over 120 affordable designs suitable for your unique requirements in a commercial setting
